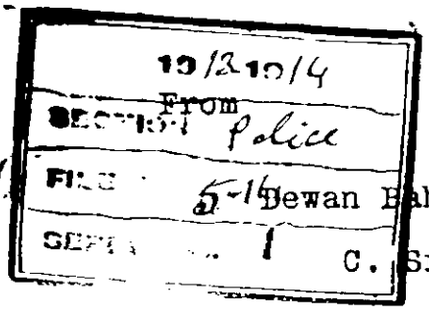
No. 13 DIARY No. J35 Bangalore, dated the 1st July 1914.



From

Inspector General of Police in
Mysore, Bangalore.

To

D.M.Narasinga Rao Esquire, B.A., B.L.,
Offg.Secretary to the Government
of H.H. the Maharaja of Mysore,
General & Revenue Departments.

Sir,

I have the honor to state that there is a branch of the St.John's Ambulance Association at Mysore existing for the last four years, giving free training in First aid to the injured to several students and maintained chiefly by small realizations from subscriptions contributed by a few philanthrophical citizens of Mysore.

2. There is also a regular Ambulance class attached to the Provincial Police Training School at Bangalore, under the charge of an Assistant Surgeon who trains the students in this most useful art, and every year our students have also been undergoing the examination held by the Association and winning certificates of merit.

3. With a view to secure better working of Mysore branch of the St. John's Ambulance Association by increasing its revenue and thereby extending the sphere of its operations and scope

of its usefulness, the Honorary Secretary has called for some help from us in as much as our men compete for certificates of efficiency in this most philanthropic and humane art. It need hardly be said that Ambulance is an important subject with which not only our officers but also the constabulary should be conversant, to enable them to be of some help to the people at large; and in order to emulate them and take an interest in learning it, certificates of merit and sometimes medallions and decorations are awarded by the Association.

4. To meet all such and other incidental expenses, it is necessary that the Department that competes for the awards should contribute towards its funds and get itself affiliated to it, and I accordingly request that you may be so good as to obtain the sanction of Government for a contribution of Rs.150/- per annum being paid to the Mysore Branch Association from the Police Department, the expenditure being met by reappropriation from the allotment made for "Equipment and clothing" in the current year's Police Budget. Provision will duly be made therefor in the next year's Budget.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.
